Parental Commitment Statement

As parents, we recognize that the St. Agnes Athletic Program will be only as effective as we are supportive. For this reason, we pledge to do the following in order to build a strong partnership with my child's team, which will ultimately benefit my child:

1. To insist that my child act responsibly by:
 - ❖ Maintaining academic/behavioral eligibility
 - ❖ Attending and using time well at practices
 - ❖ Respecting coaches' decisions and guidelines
 - ❖ Displaying cooperative team spirit
2. To assume responsibility as parents for understanding and abiding by the contents of the ATHLETIC CODE.
3. To attend informational meetings required for my child's participation in a designated sport.
4. To respect the commitment of time that coaches make to the program. To respect coaching decisions publicly. To provide punctual transportation for my child to and from practices and games.
5. To work with my child in any way I can in order to support and enhance the development of skills taught in the program.
6. To complete my volunteer requirements so that the Athletic Program can function effectively without causing a burden to any one volunteer. This includes the participation in kitchen/gym door duty when scheduled.
7. To insist that my child respect St. Agnes' facilities and equipment. All uniforms will be returned at the end of each sport season on time and in good condition. We will assume the responsibility to replace any damaged or lost equipment.

I have read and agree with this PARENT COMMITMENT STATEMENT. I understand that my child will not be able to participate in any games until this form is signed and on file with the Athletic Committee.
