

St. Agnes Youth Board Open Gym Nights are open to students in Grade 6 through High School. The rules and expectations below were developed by the St. Agnes Youth Board.

*****Students who violate any of the rules repeatedly or in an extreme manner***
may be sent home and/or suspended from future Open Gym nights.**

Students are NOT allowed to bring cell phones to Open Gym. If they need to make a call, they can ask to use the parish land lines or the cell phone of the lead chaperone for the night. If parents want their child to have a phone, the phone should be given to the lead chaperone when the student checks in and can be retrieved if needed to make a call home or when leaving.

- ***All students must check in when arriving and let an adult know when they are leaving.***
A designated adult chaperone will have a check in/out clipboard.

- Any guest students who are not members of the parish must have a signed permission form and be cleared by the adult in charge BEFORE they attend Open Gym night.

Students can be in the Gym, PAC, Hafford Hall, or Youth Room. All other indoor areas are off limits, including the PAC kitchen, locker rooms and locker room hallway.

- ***Students should clean up after themselves.*** As parish members, the gym and the Youth Room belong to all of us to share. We also share the responsibility to keep them clean, neat and in good shape. ***If this responsibility is not lived up to, Open Gym nights could be canceled.***
- No food or drink allowed with the exception of a water bottle. If there is food allowed it will be with the prior permission of the Youth Activities Coordinator.
- No “roughhousing”: pushing, shoving, wrestling, etc.
- No inappropriate touching.
- No bad language or name calling.
- No “chucking” or kicking basketballs, volleyballs, soccer balls, footballs across the gym unless they are thrown or kicked within an organized, supervised game.
- No Gym equipment is allowed outside of the Gym.
- When videos are being shown in the Youth Room, other activities in that room and Hafford Hall should be careful to keep the noise to a minimum. Other games (pool, etc.) can be played during the video as long as they do not bother those watching the video. If there is too much noise, pool play may be shut down until the video is over.
- No sodas or other objects should be placed on the felt surface of the pool table at any time. When playing pool, students should use the cue sticks and the billiard balls the way they were intended to be used. If students misuse the equipment, it will be put away for the rest of the night.
- Students should be careful of the building and its furnishings. Willful or careless damage to walls, furniture, windows, sports equipment, etc. will be reported to the parents of the students involved and those students may be held responsible for repairing or replacing the damaged items or for reimbursing the parish.

(Over)

Complete and return this form before attending Open Gym nights for 2018-2019

We have read the Youth Board Open Gym Night Rules and Expectations below and agree to abide by them.

Student Name(s): _____

Parent's signature

Student signature/s

Number/s to call in case of emergency: _____
