

## SAFEGUARDING ALL OF GOD'S FAMILY

We couldn't do it without you. Your gift of time to work with our children and youth are priceless. We need you as chaperones, drivers, catechists, playground and lunchroom supervisors, classroom aides, coaches, and so much more to work in our many programs for our children and youth. But in order to volunteer we

need you to complete all requirements put in place by the Archdiocese of Milwaukee\* prior to beginning your volunteer service. No volunteer service can begin until this process is complete. Use the directions on the attached page to log onto the Archdiocesan website to begin the process. Safeguarding sessions are available all over the Archdiocese. Pick a session that is convenient for you. *Plan ahead.*

St. Agnes will host a Safeguarding session on Thursday August 30<sup>th</sup> from 6-9PM. It is available on the Archdiocese website so you can sign up now for this session.
