*** In an attempt to motivate more parents to give of their Time and Talent for the parish, the Parish Council mandated several years ago that all Christian Formation families be required to fulfill a set number of service hours within the parish each year.

In order to fulfill this mandate, the Christian Formation committee enacted a Family Stewardship Commitment policy. The policy calls for the parents of each CF family to fulfill a minimum of 10 hours of service to the parish and to report those hours to the Christian Formation office. The hours can be fulfilled through any of the service opportunities listed in this form or in the parish's Time and Talent signup brochures.

If a family does not fulfill the ten hours, they will be charged an additional fee of \$10.00 per each hour not completed. The fee will be added to their Christian Formation account for the following year and be included in their Financial Agreement.
