

St. Vincent de Paul Society At St. Agnes Parish

Inspired by Gospel values, the Society of St. Vincent de Paul, a Catholic lay organization, leads women and men to join together to grow spiritually by offering person-to-person service to the needy and suffering in the tradition of its founder, Blessed Frederick Ozanam, and its patron, St. Vincent de Paul.

The St. Vincent de Paul Society at St. Agnes was organized in 1957 to help provide comfort to individuals and families in the Butler and surrounding area.

With compassion and discretion, St. Vincent de Paul members offer immediate help to people in need. On a person-to-person basis, Society members from St. Agnes help the needy with emergency assistance for:

- food
- clothing
- furniture and household items
- housing
- utilities
- information and direction about governmental agencies that can also assist

While the services we provide are important, what stands alone is our outreach of friendship through person-to-person contact. During a crisis, many simply need to know that someone cares. We care.
