

SUMMER READING

Future 3rd Graders

Reading during summer helps keep reading skills active. This is a chance to enjoy reading other books by authors we've come to know this year. The following list suggests authors and you can find other authors too! Each child going into third grade is expected to read at least one book a week (that means ten books for the summer)!!

The attached sheets will let you keep track of what you read.

You will hand them in to Mrs. Mitten at the beginning of third grade.

Happy reading! (Please record your books on the Reading Log.)
